MESSAGE FROM THE MAYOR

When maintaining your yards remember to take care of the parking lane around your property, by either mowing or spraying. Keep the intersection areas trimmed according to the clearview ordinance. Lawn trimmings are to be piled outside of gated area. All tree and shrub and natural vegetation goes inside the gate to brush pile. Don and Tony have made the park and cemetery look great hope we can do the same for our yards.

Have a great summer!
Mayor Randy Camp

April 30, LCP hosted a gathering of Washington Main Street executive directors as well as representatives from Main Street America. The group toured LaCrosse, stopping at many of our historical landmarks throughout town. The group was thoroughly impressed with the passion for preserving and strengthening our little community that was shared by all of the presenters. Thank you to Lois Startin, Dean Wigen, Alice Hopkins, Peggy Bryan, Tersea Vesneske and several others who shared their knowledge and stories during the tour.

With the help of the Town of LaCrosse and a Community Development Block Grant, LCP will be receiving funds to convert the café building into a Food Hub that will serve as a restaurant, senior meal site, and food bank. We anticipate hiring an architecture firm by the end of June.

Once again, LCP will hold its raffle basket fundraiser during Farmers' Festival. Tickets will go on sale June 1, with the drawing taking place in the park at 2:00 p.m. on Saturday, June 26.

LCP would like to thank all of the volunteers who help support the economic vitality of our community. We would especially like to recognize Jamie Camp, Desiree Chappell, and Cash Construction for their generous donations of time and equipment to help keep our properties looking tidy and welcoming.

As always, LCP is actively applying for grants to help continue and complete several ongoing projects throughout the community. We would also like to invite community members to become more involved with the organization, including serving as a board member. New ideas and new voices are always welcome.
